LETTER ACCOMPANYING PAYMENT OF FINAL FEE

Sir:

Entry of the following information respectfully requested.

Enclosed is a copy of a Statement Regarding Loss of Entitlement to Small Entity Status, dated May 16, 2007.

The Notice of Allowance and Base Issue Fee form, mailed September 21, 2007, in the instant application, had erroneously indicated "small entity" status. A copy of the enclosed Statement is being provided at this time to ensure that the Deposit Account 13-2755 is charged the correct amount due for the outstanding issue fee and publication fee based on *large entity* status.

This letter is being concurrently filed with the payment of the issue and publication fees for the instant application which are due December 21, 2007.

Respectfully submitted,

By

STATEMENT REGARDING LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS

Sir:

Pursuant to the notification requirement of 37 CFR §1.27(g), the undersigned hereby notifies the United States Patent and Trademark Office (USPTO) that the above-identified patent application is no longer entitled to small entity status.

The loss of entitlement results from a merger between GlyfoFi, Inc. and an acquisition company, which had the effect of creating a successor of GlycoFi, Inc. that is a wholly-owned subsidiary of Merck & Co., Inc.

Respectfully submitted,
